

Acrid smoke burns my lungs,

Inhale,

Yellow haze floats on the horizon.

Folded rivers,

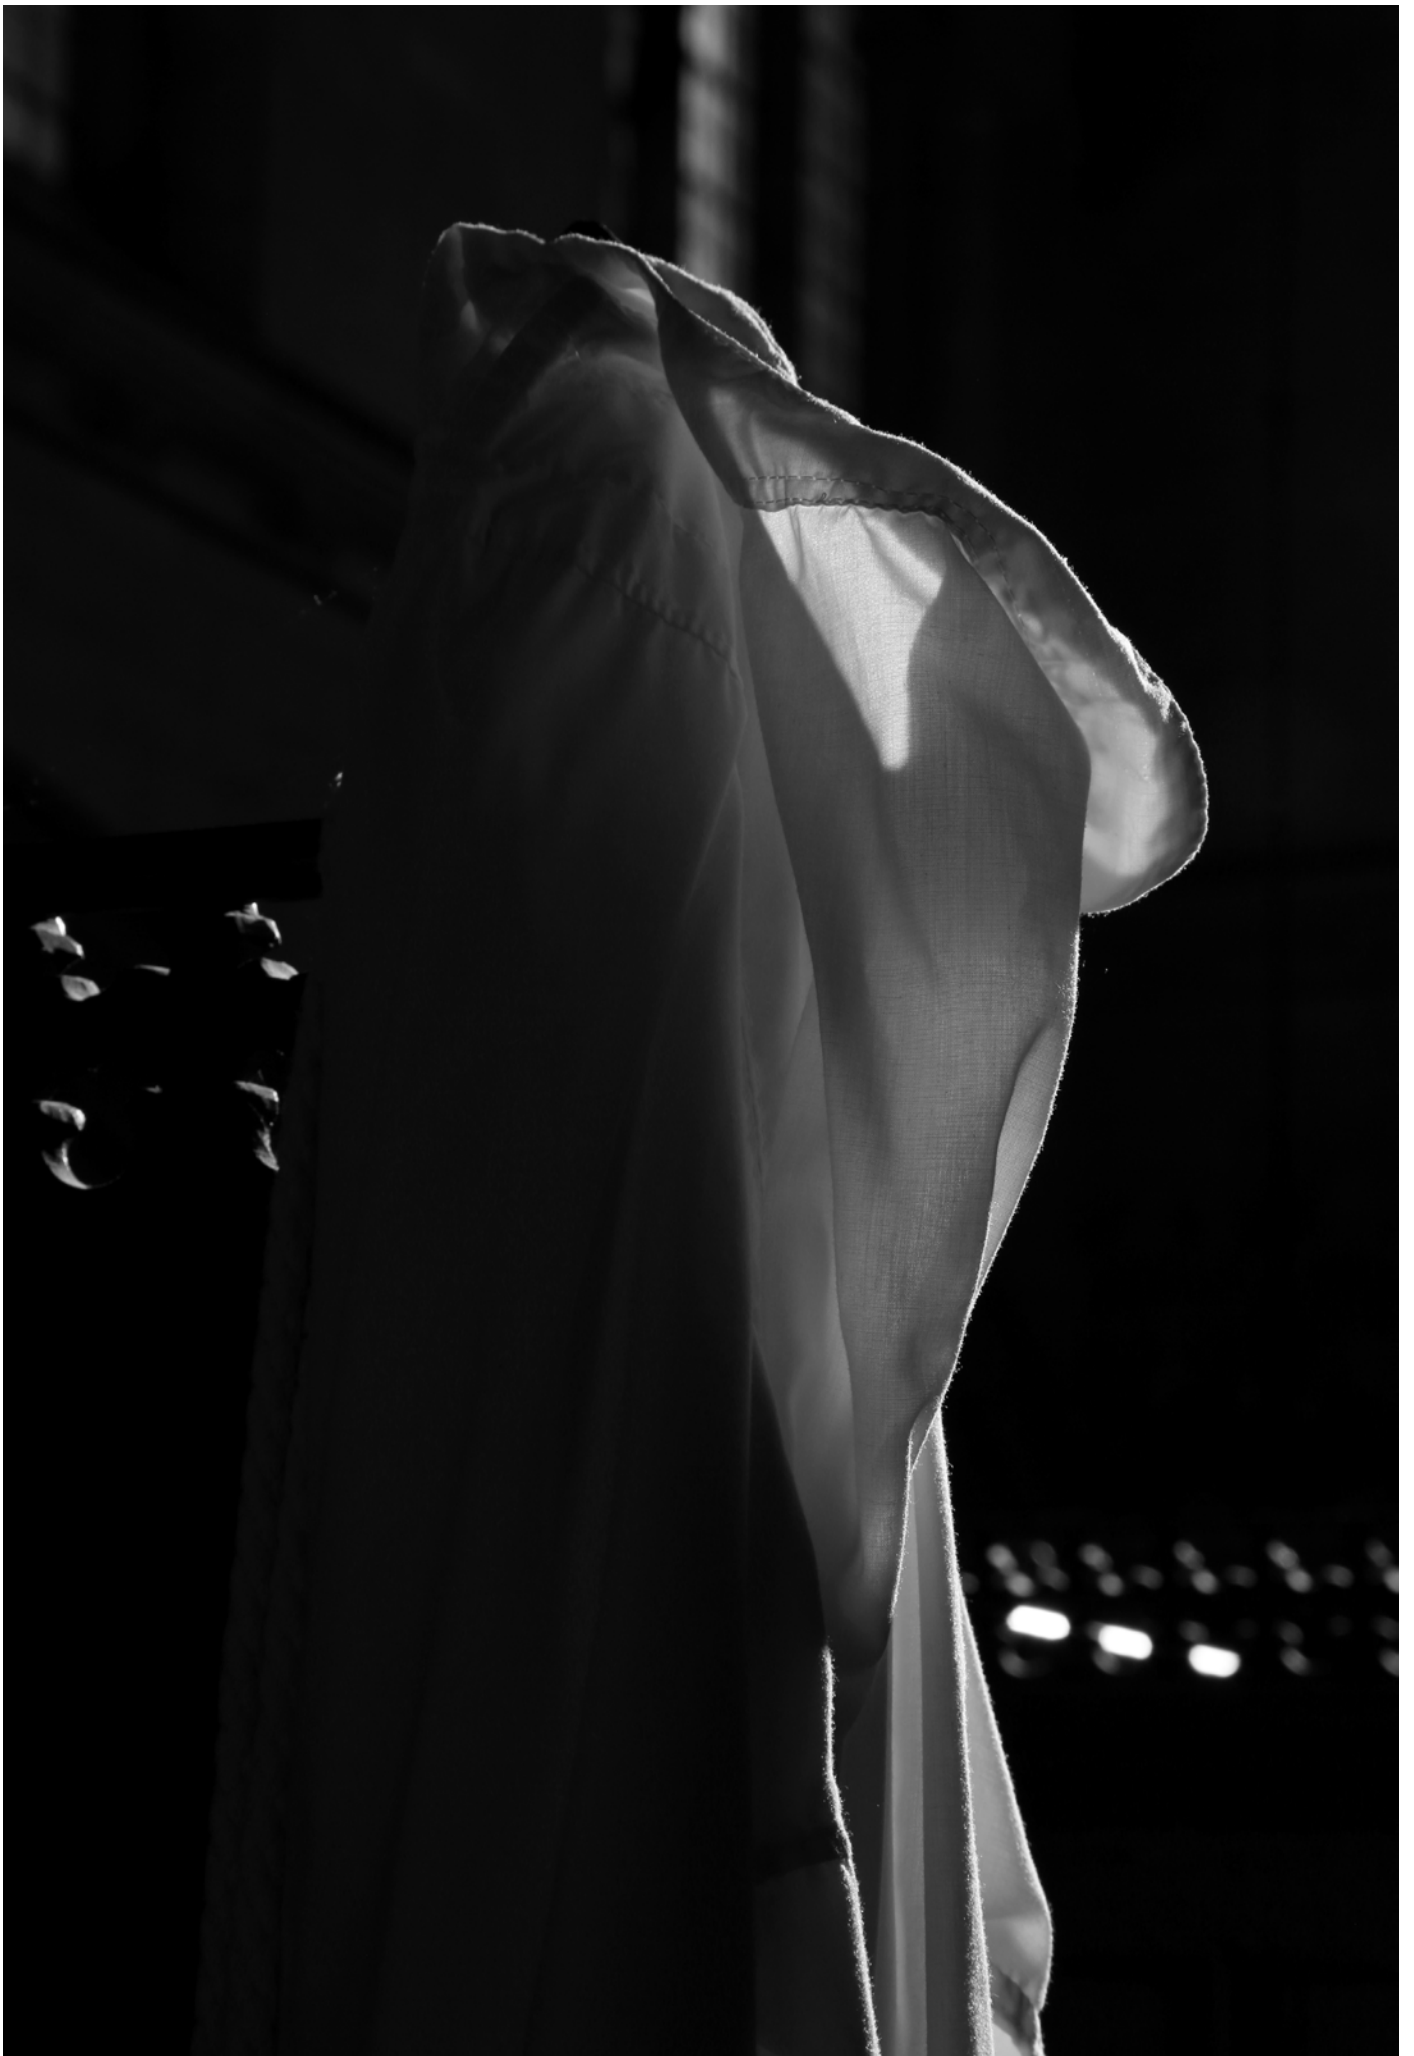

Power,

Life on repeat.

Consume me,

Consume it.

Echo chamber,

A spectre of identity,

Nothing.

Reverberation,

Vaccum.

Unshackled.

Radium.

Constant becoming.

A restless night,  
Unsatisfactory dreams.

Tame.

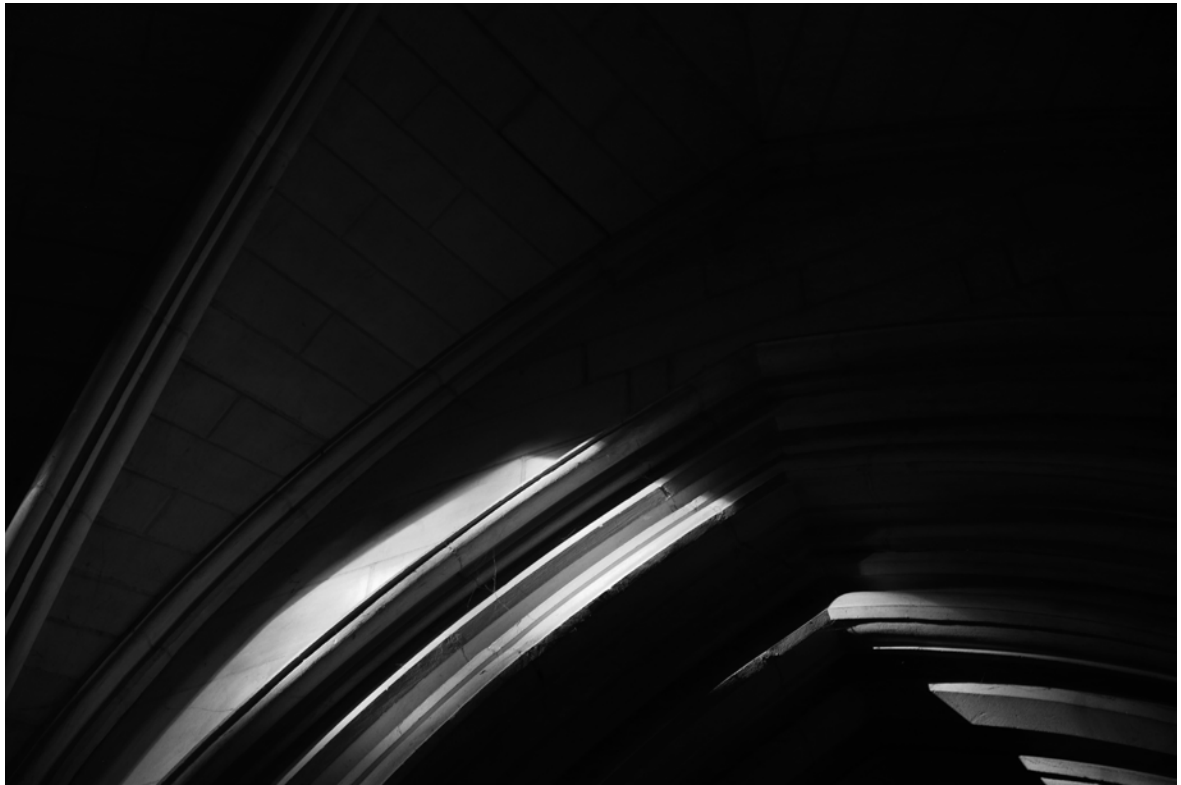

Dismal.

Adore me,

Run away.

Clarity through confusion,

Unrelenting.

Life.

The Sun burns,

Collision course.

Skin,

Follicle.

Tanning,

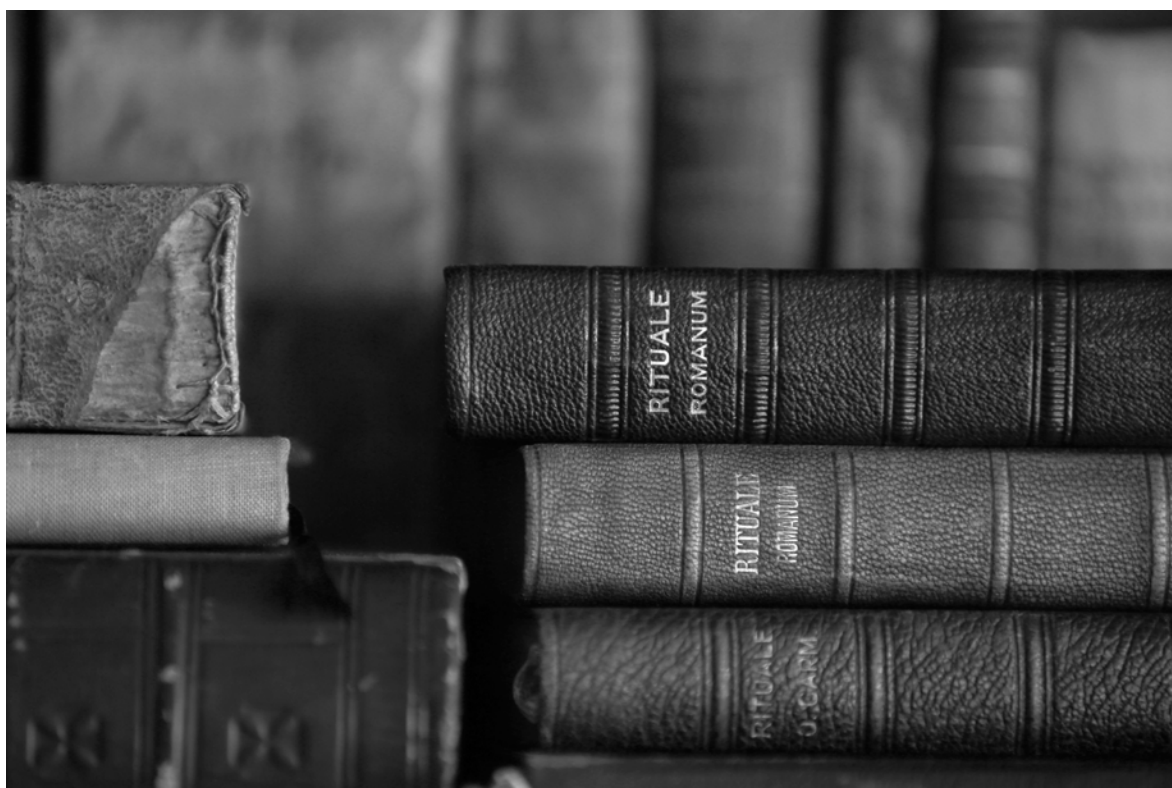

Flyovers,

Telegraph poles and the M1.

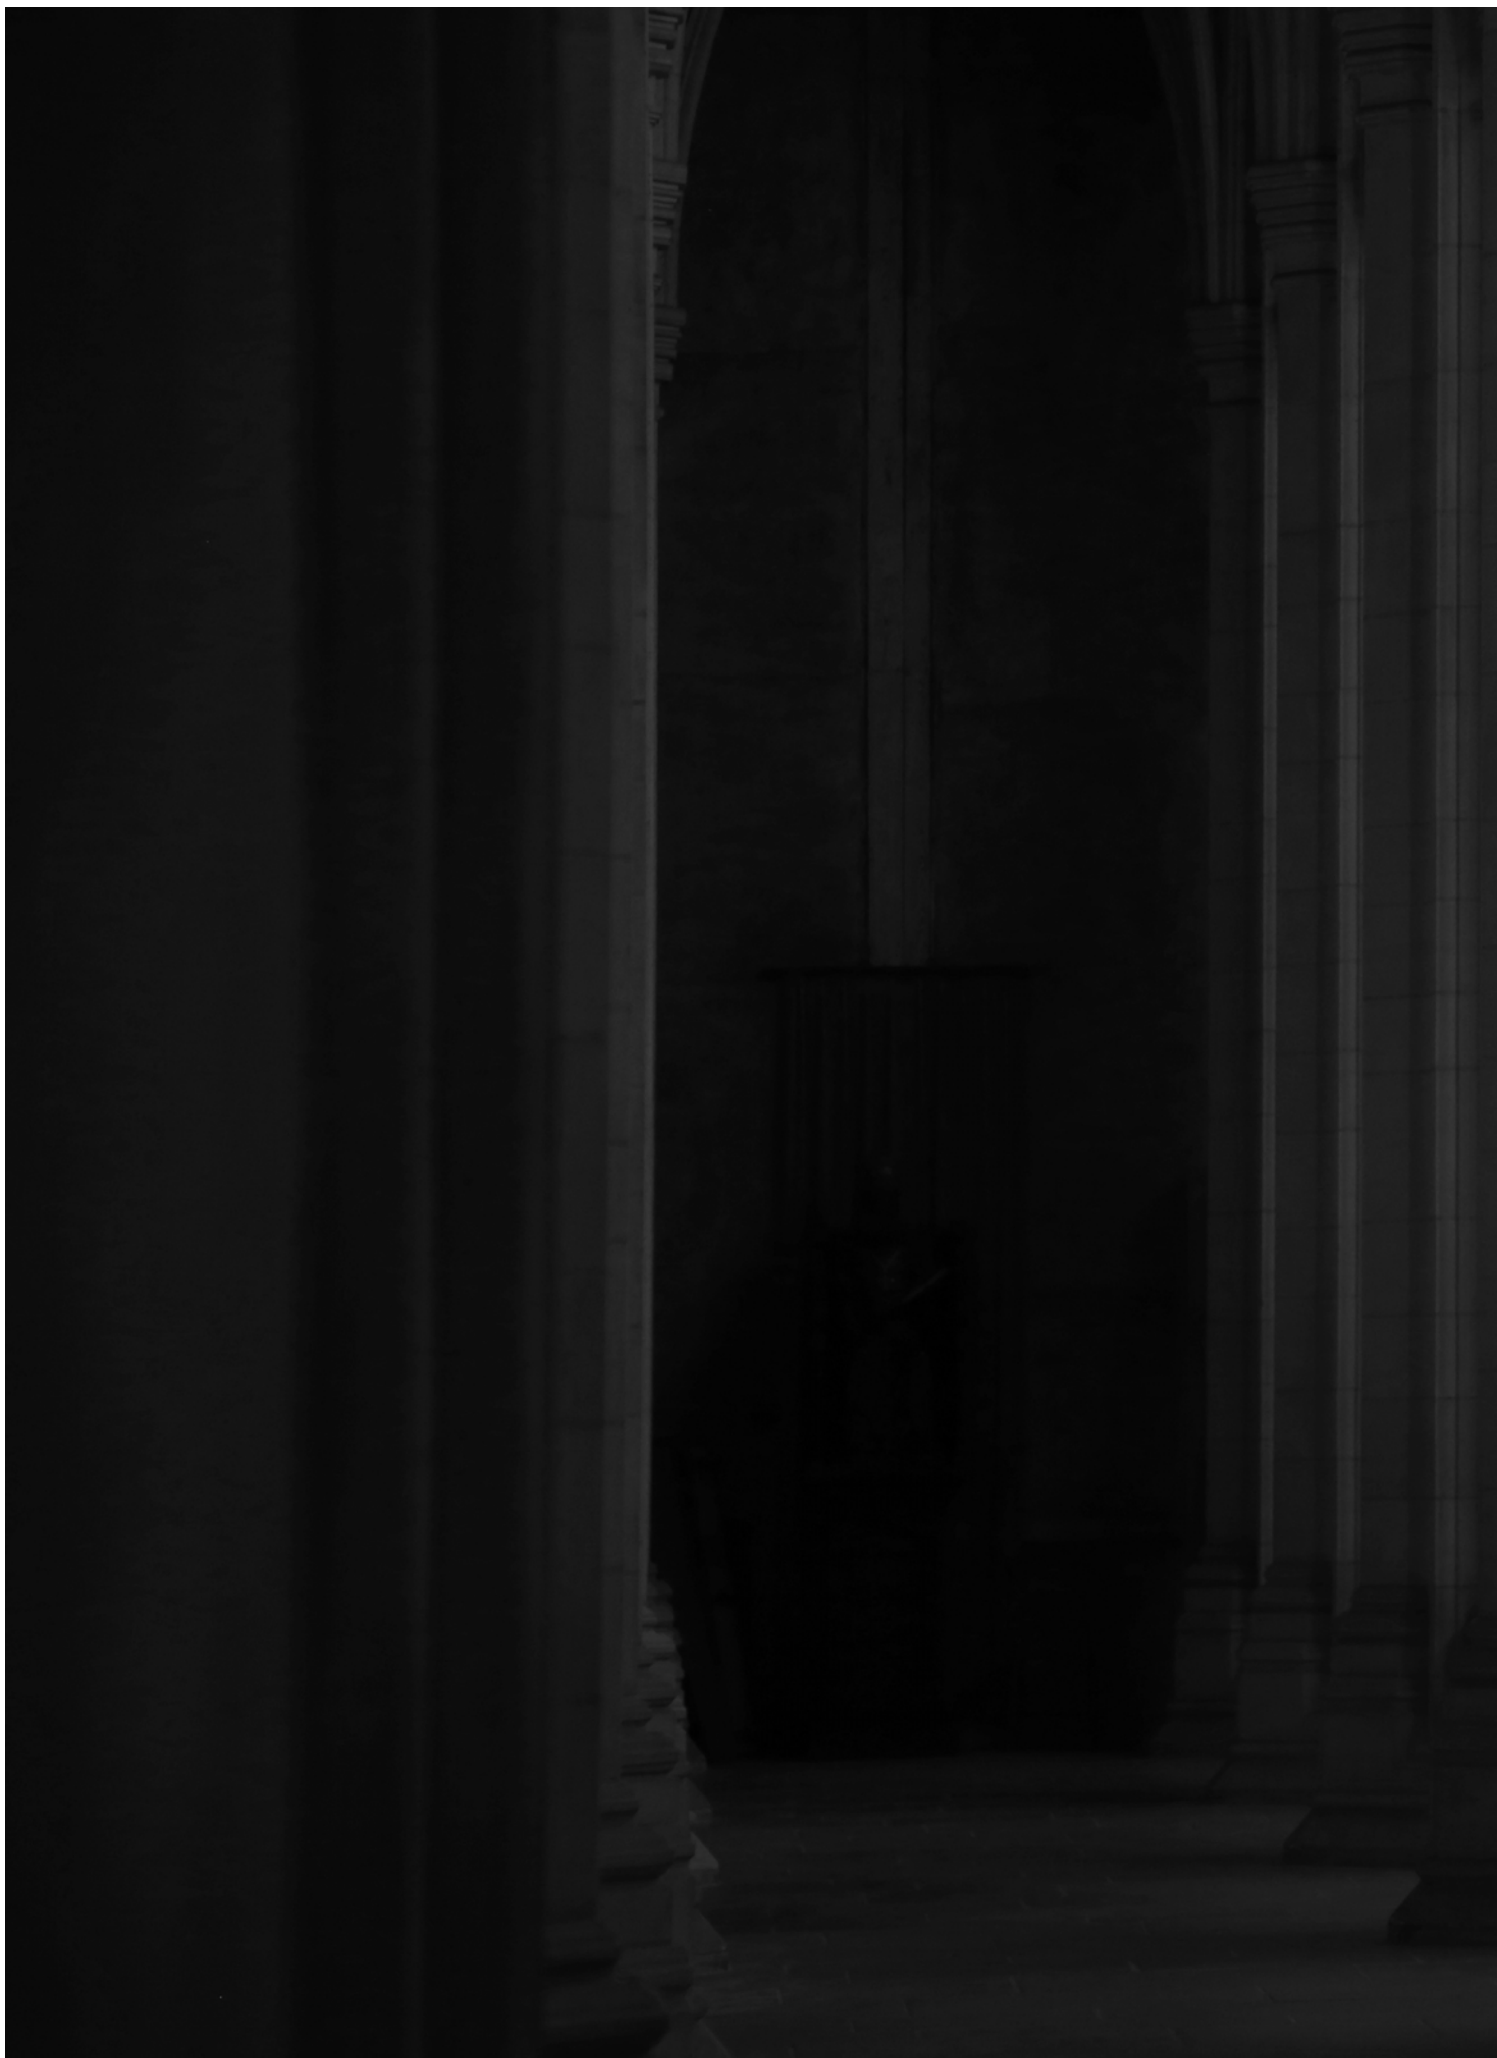

Loud speakers and sound systems.

Rave,

My sad rapture.

Ecstasy.

Sweat.

Dance floor.

Repetitive beats.

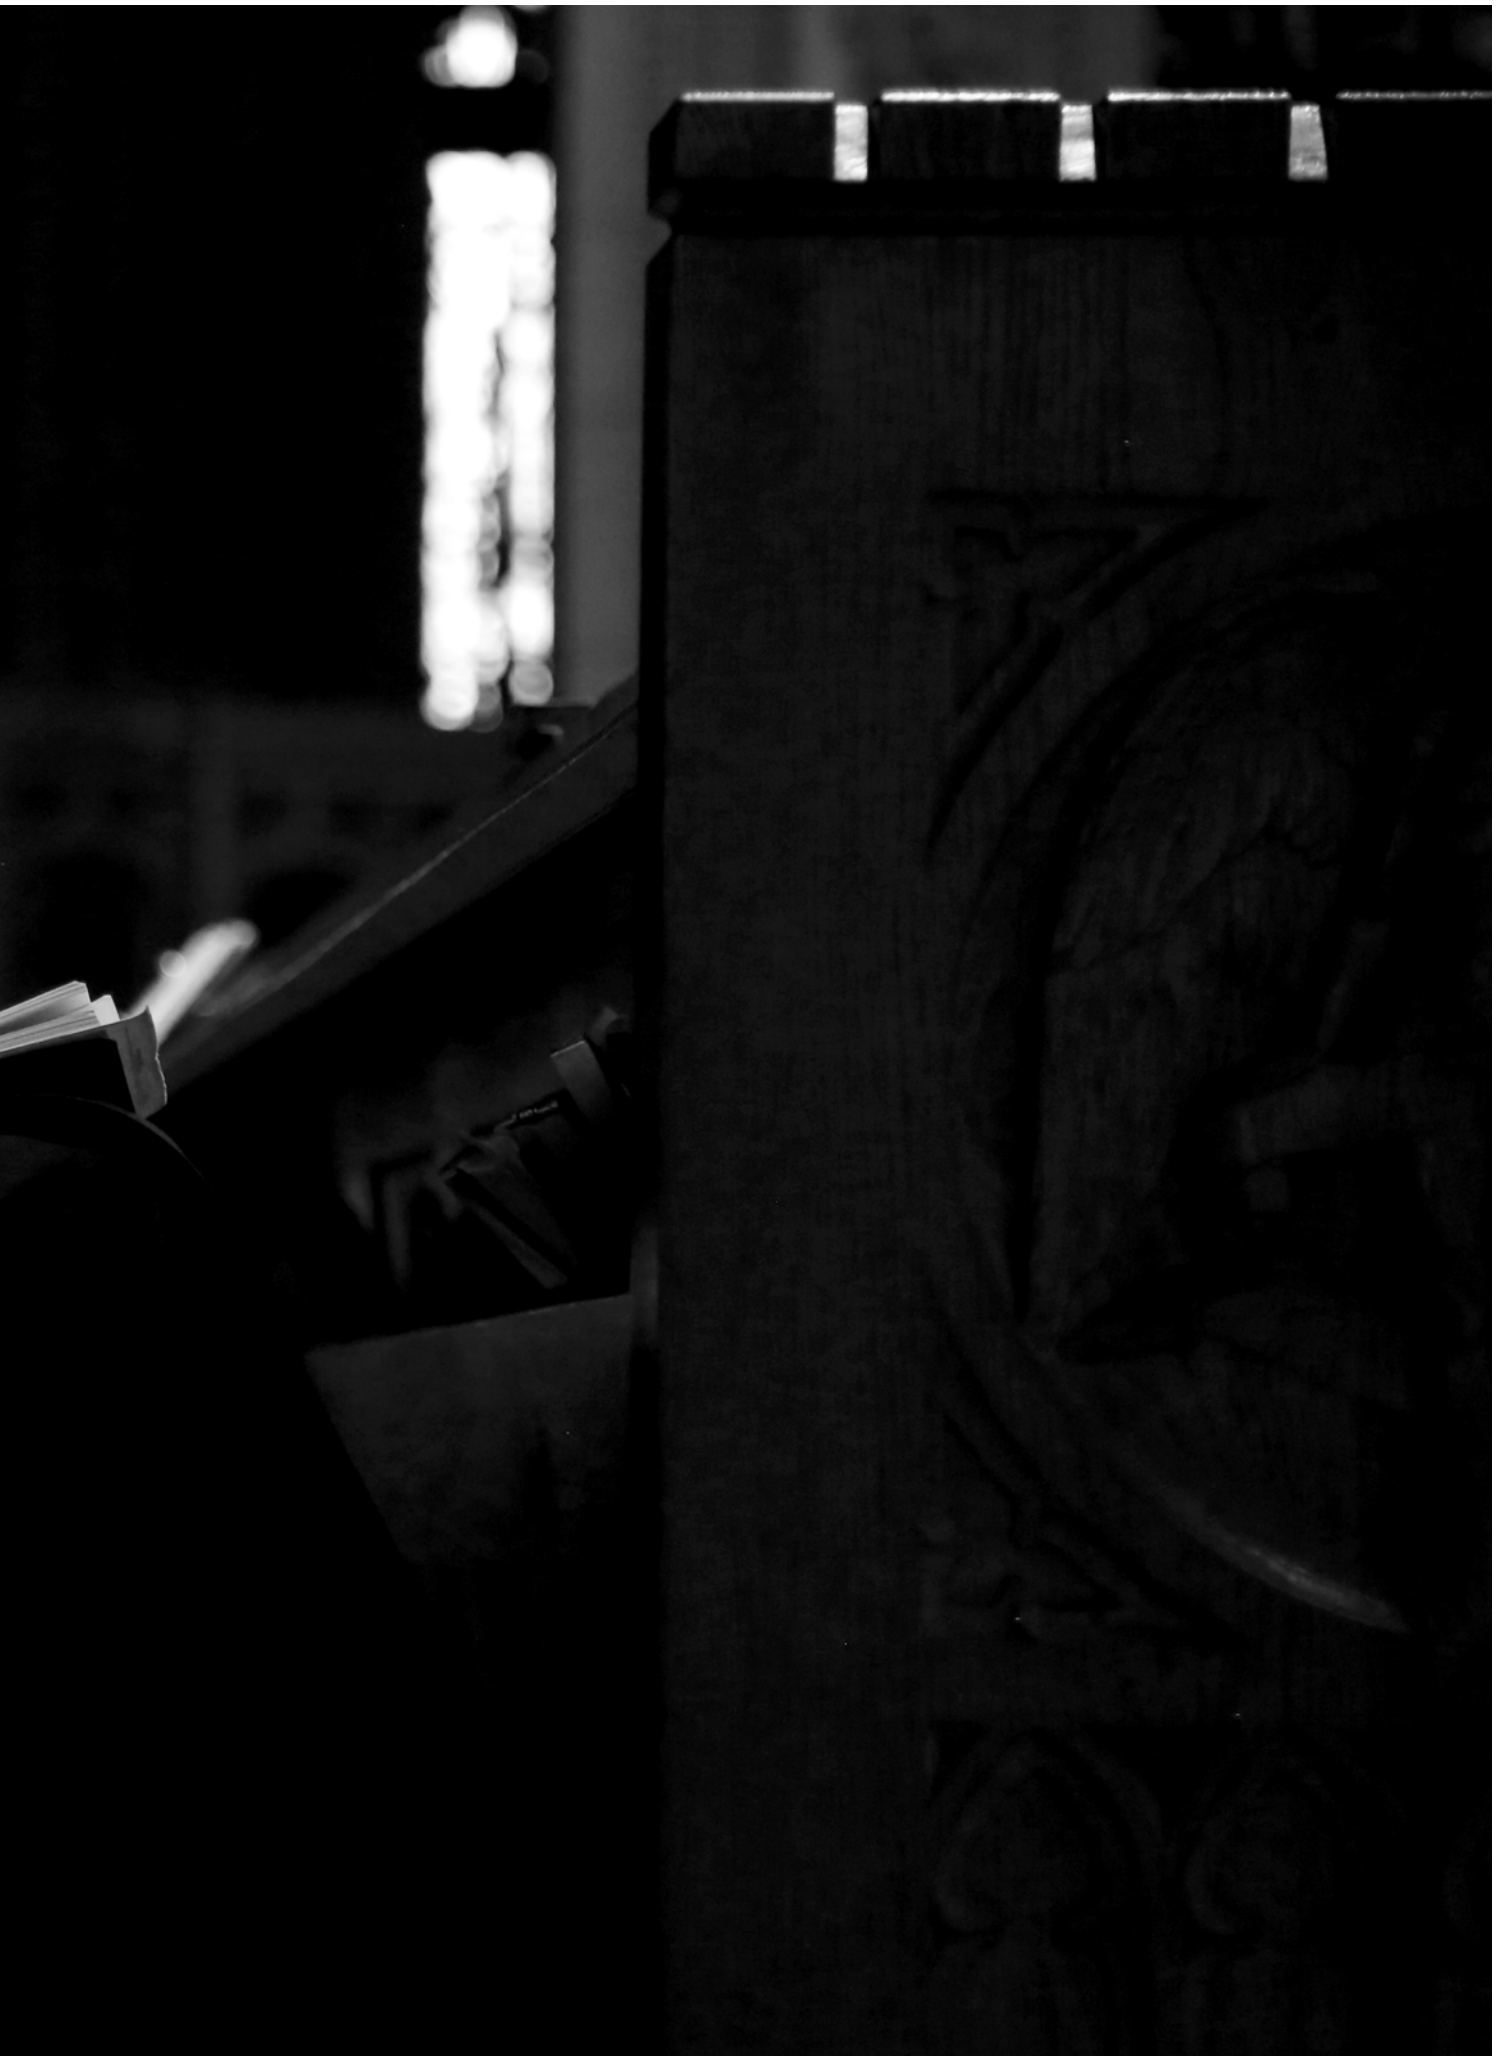

4:4

A serotonin flood,

Soothing climax,

That rare beast.

Obeisance.

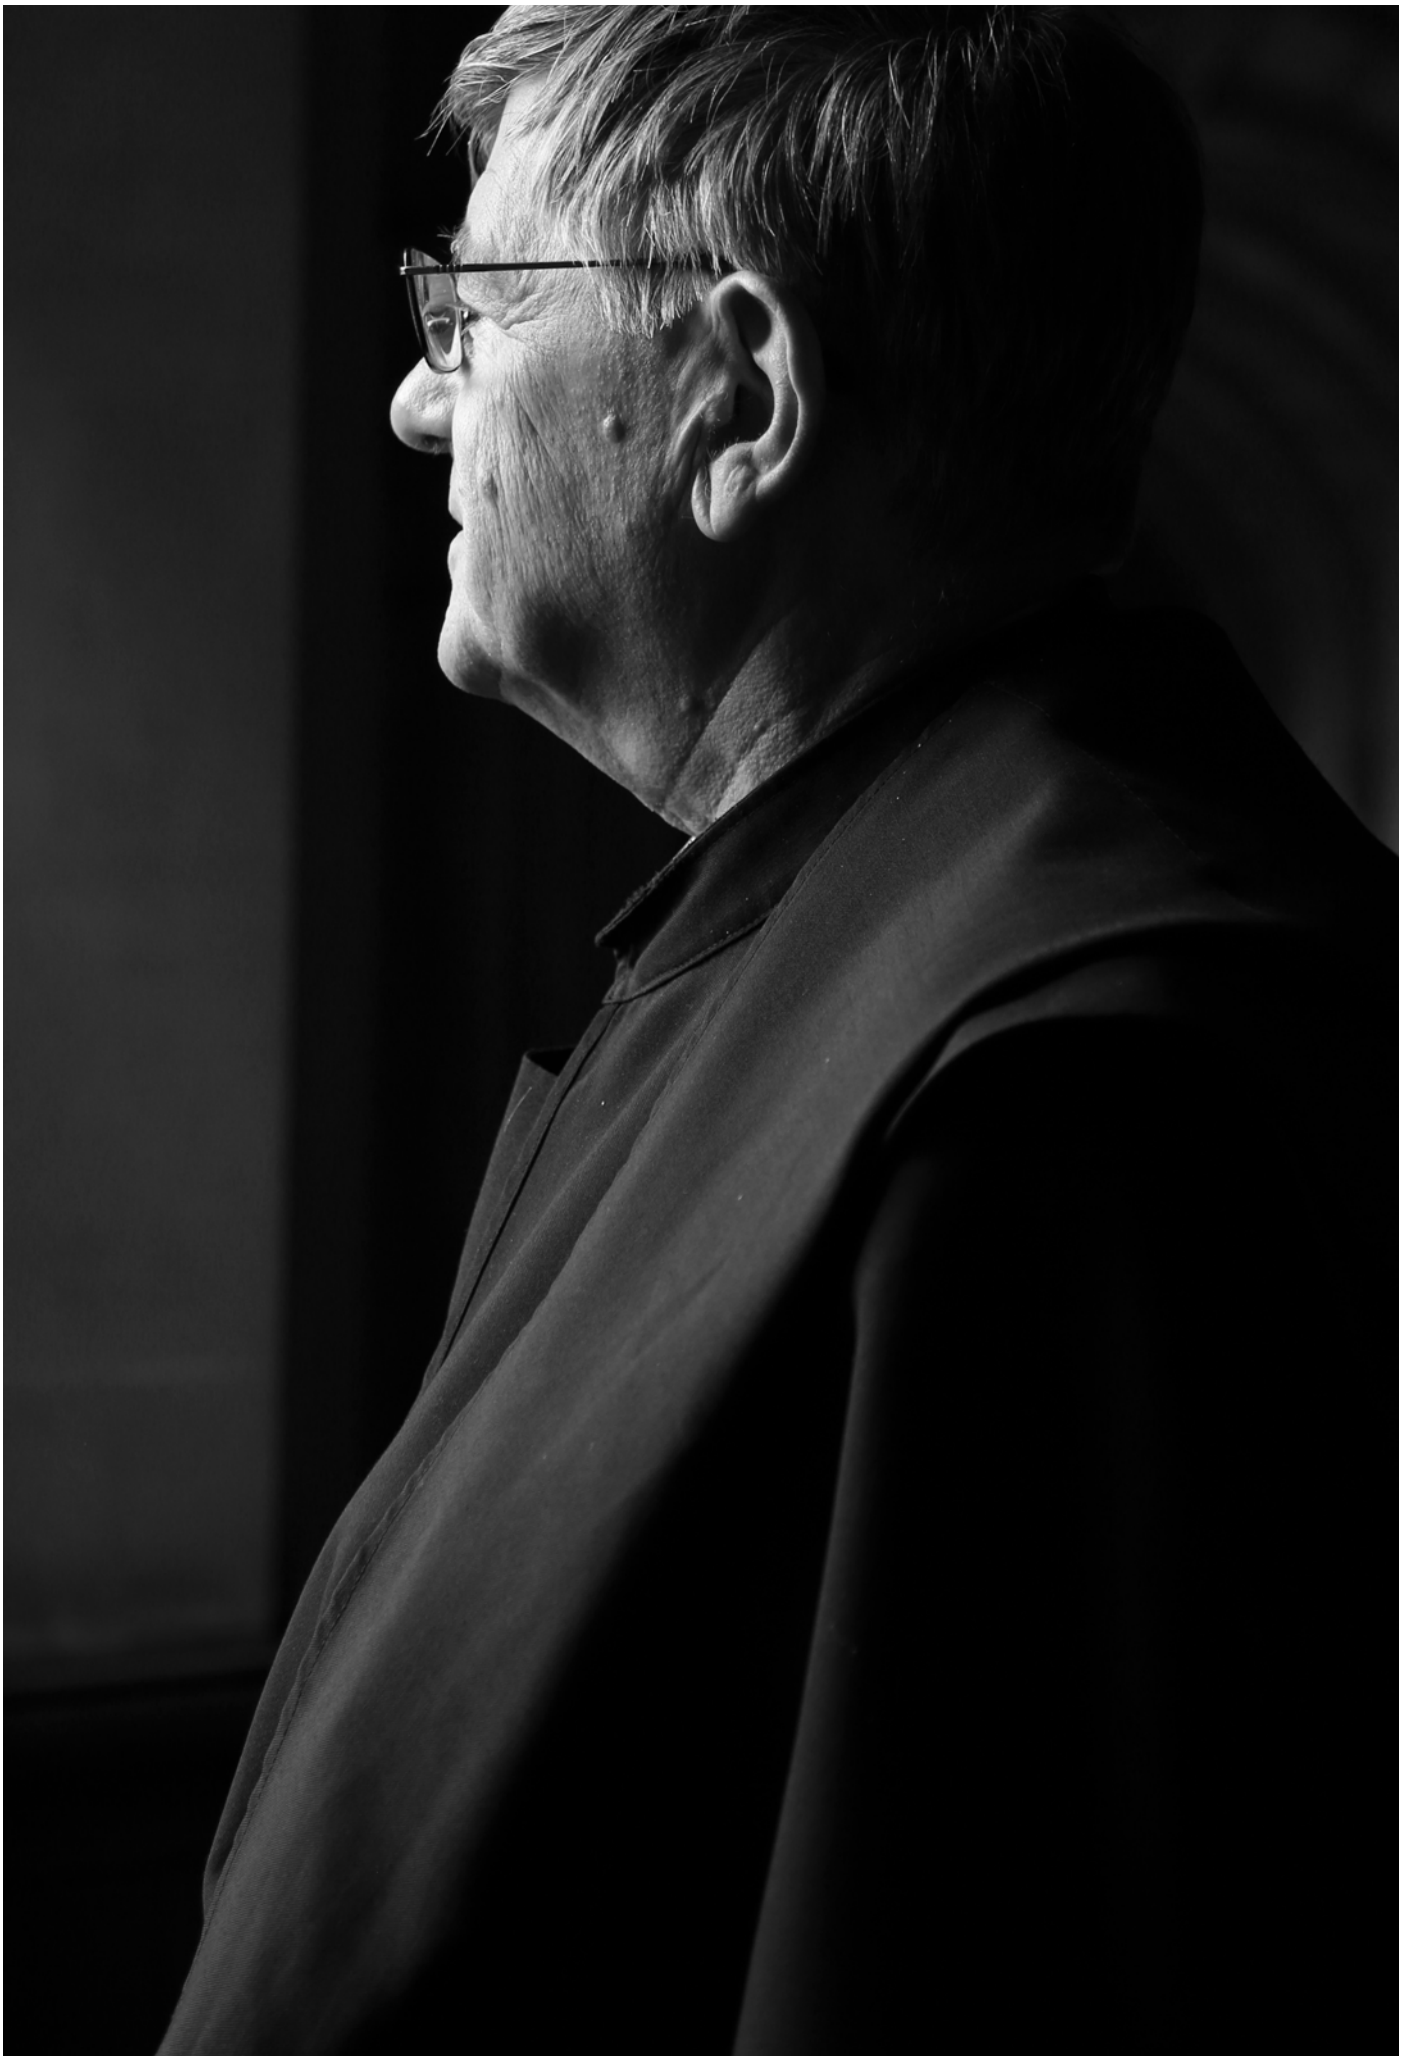

Constantly turning,

Jet engines,

Standard fumes,

Beautiful.

Black rust.
