

Misunderstood reality,
I promise,
You promise,
Constant edge,
Lines in the dust.

Oscillation.

Either side,
Fragile string,
Chemical structures,
Fractured,
Detaching.

Drifting through space.

Walking backwards,
Formaldehyde,
That delicious stench,
Sweetness in my nostrils,
Embalm me.

Take me with you,
Part of the ride,
New theme park.

Tabula rasa.

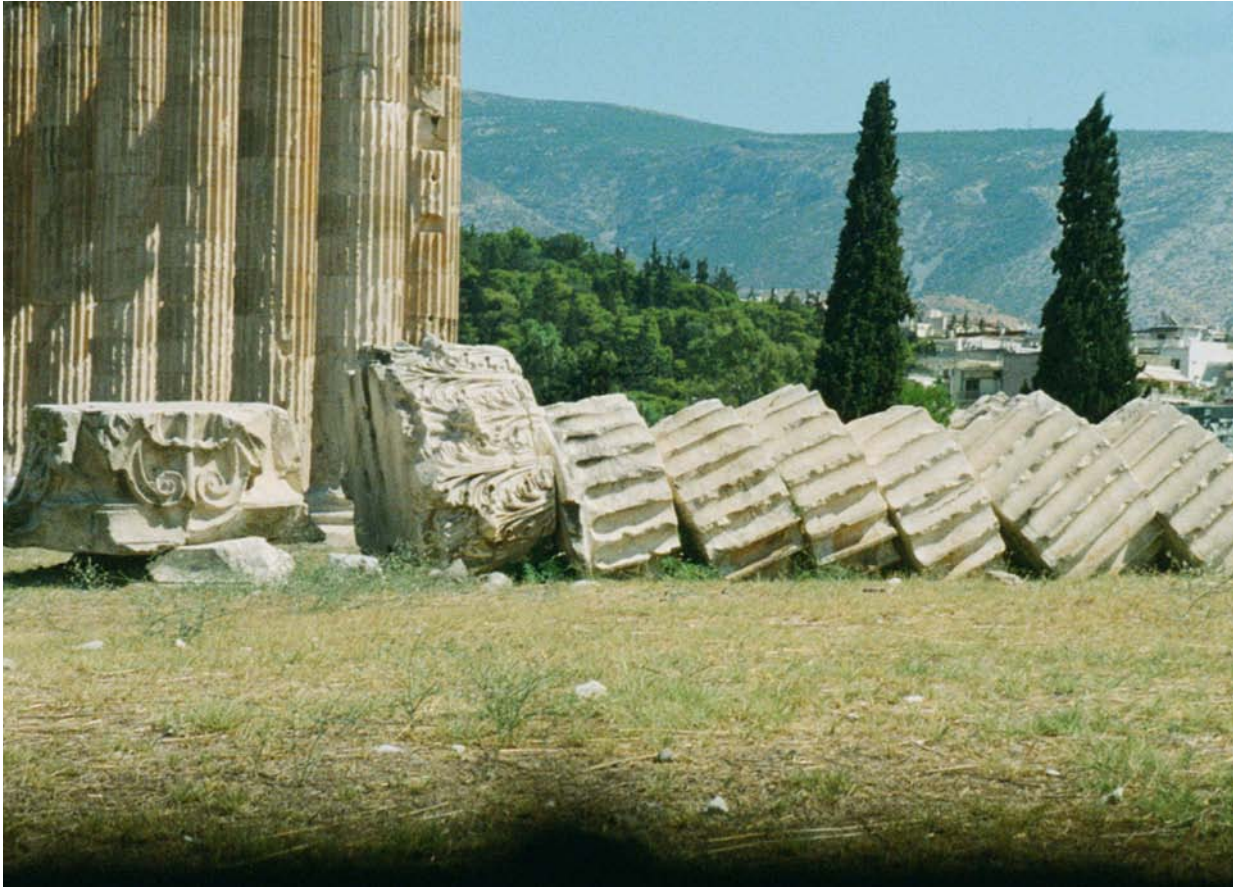

This unwanted love,
Sits awkwardly,
Box junction.

Bleeding guts,
Entrails,
Exonerated.

The future,
It's not worth it,
Methadone,
That instant cure.

Recording,
